Hi Holly: here is what we have prepared as a draft Communications Strategy for Dewey Burdock for OGWDW's review.

Ex. 5 Deliberative Process (DP)

We would very much welcome your and OGWDW's input in the form of comments including any additional Qs and As. Receiving your comments on or before September 28th would very much be appreciated so that we have the benefit of your input before we brief Shaun soon after this date.

Sarah Bahrman, our Acting Water Program Director, will also be reaching out to Anita and Ron with this document.

Both Sarah and I would be happy to address any questions, etc. you, Anita, or Ron have about this document or about any other aspect of this effort.

Thanks in advance your time and attention!

Douglas
